# WHALES PLUS SAILS

## EXPERIENCE OF A LIFETIME!

From the historic shores of Saint Andrews, across the green-blue waters of the Bay of Fundy, beyond where the Old Sow whirlpool churns and the East Quoddy lighthouse shines, live some of the last great wonders of the world. Yes! We have feeding whales, playful porpoises, soaring eagles, sunning seals, sometimes puffins and more. Much more! Incredible tides rush between ancient islands, whilst a jolly breeze tickles the sails and a bright sun warms your face.

Choose between the famous historical Tall Ship or one of our two high speed VIP vessels, or experience both adventures! Successful encounters with whales exceeds 95% over the past years and report of stomach upset is extremely rare (1 in 3,000).

### **The Tall Ship Story**

“*Jolly Breeze*” is the most Beautiful and Largest Motor / Sailing Passenger Vessel in New Brunswick.

Finely crafted as a pleasure yacht in New Zealand in 1989, Jolly Breeze has sailed the great oceans of the world, covering more than 25,000 miles. Starting in 1995, the ship has operated out of Saint Andrews as a sightseeing vessel. Drawn on the traditional lines of the famous French pilot cutter “*Jolie Brise*” of La Havre.

All vessels are equipped with advance navigation tools, modern safety systems, life rafts and meets Transport Canada regulations.

Join us for a classic Tall Ship experience with sails, whales, other wildlife and some Tall Tales humour 📌

# JOLLY BREEZE TALL SHIP - WHALE WATCHING

### **The Sail**

**SUCCESSFUL ENCOUNTERS WITH WHALES AVERAGES** greater than 95% while entertaining over 150,000 passengers. Appropriate for all ages. Comfortable seating for all or explore the ship freely, including the beautiful heated cabin.

**CRUISE GUIDE** by our experienced crew with ongoing nature and local historical interpretation. After you have been familiarized with the ship, introduced to your crew, and given a safety briefing, we will be on our way.

**AQUARIUM:** Exciting on-board touch aquarium including starfish, sea urchins, crabs and more. Hold a starfish, touch a sample of whale baleen and learn about intertidal sea life.

**FACILITIES:** Below deck are washrooms, a heated lounge and galley. We have extra sunscreen, jackets and lap blankets. We have you covered!

**YOUR ENVIRONMENTAL CHOICE:** Super low emission engine, less fuel per passenger using sails and the motor. Solar panels added to offset carbon emissions. Regular donations to conservation charities.

**LICENSED CASH BAR, SNACK BAR:** Enjoy a beer or cooler, Baileys and hot chocolate, top-shelf scotch perhaps or sit back and relax with a glass of wine. Our ship's galley also features hot chocolate, coffee, tea, chocolate bars, granola bars, spring water and soda.

**COMPLIMENTARY SNACK:**

Hot chocolate and homemade cookie.
